

ABC STENCILS

FOR USE WITH EARLY LEARNER TRAIL SIGN #5 - Nature's ABCs

We recommend printing out the letters you want on card stock. Cut out the letters with an exacto knife, discarding the letter portion and keeping the full page with cut-out letter. Tape the stencil to the surface you are going to paint. Use outdoor spray paint or brush paint to paint the letters on the ground. Stencils can be removed before paint is dry. Sample alphabet below.
